Eric,

Please note that EPA's stormwater loading comments cover letter incorrectly lists Jim McKenna as the LWG co-chair and refers to him as Mrs. McKenna.

Subject: Stormwater Loading Comments

Jim and Bob, attached are EPA's comments on the Stormwater Loading Calculations Report. The loading calculations are approved for use in the model. EPA is requesting a revised report within 30 days so we can approve the report as a final.

Please let me know if you have any questions.

Thanks, Eric
